Volume 1, Issue 7
2 August 2011

As you will be aware, Greenstone Energy has rebranded their Shell branded service stations and facilities to Z (zed).

Following on from this, Greenstone Energy will commence reissuing all the Shell Fuel Cards to reflect the new Z brand.

This exercise will commence in October 2011 and will be completed by 30 November 2011.

When you receive your new "Z" Fuel Card, please destroy the old "Shell" Fuel Card and use only the new "Z" Fuel Card.

Please note that even though your existing Shell Card has not expired, you must destroy that card and start using the new Z Fuel Card.

Your new Z Fuel card will have exactly the same details as your old Shell Fuel Card, including the same PIN number.

Should you have any issues arising from the replacement fuel cards, please remember to call ARFAI and we will attend to the matter. Please, do not call Z.

PASS IT ON!

If you are happy with the ARFAI Fuel Card system and the services we provide, we have no problem with you recommending our service to your friends, or those in a small business environment who would like to take advantage of fuel cards.
