## bp **NEW BP Truckstop Te Kuiti** **NOW OPEN! 24/7**

Take advantage of the **NEW BP TRUCKSTOP PRICING** regime that is 10cpl less than the Z or Mobil truckstop price! See pricing information opposite.

The BP 2go next door will be open again in early August.

You'll be able to pop in there to enjoy diner-style food, quality barista-made coffee and free wifi. BP looks forward to seeing you there soon.

bp BP is launching its first-ever mobile payment app, BPMe. BPMe allows **some** BP Fuelcard customers to pay for fuel from their car. **THIS DOES NOT APPLY TO ARFAI BP FUEL CARDS.**

Unfortunately BPMe's Pay in Car feature is not available yet to ARFAI BP Fuelcard holders as the app security features do not have the required third party security features. Customers who receive a BP Fuelcard via a reseller such as ARFAI were not in scope for the initial phase of the project. As yet, BP do not currently have a practical solution for the handling of approvals for this group of customers, which is a security requirement of BPMe.
