With the latest repositioning in the market place regarding loyalty programmes, we wish to advise that you can either register your FB number **OR** your Airpoints number against your Z Card.

If you are already receiving FB Points and want to change to Airpoints, you will need to advise us of your Airpoints number and the name of the person to whom the Airpoints number is registered.

To do this, simply send us an email with your ARFAI "Cost Centre" in the subject line and your Airpoints number and the registered persons name in the message.

Your ARFAI "Cost Centre" can be located at the top centre of your ARFAI fuel account.

If you wish to retain your FlyBuys points, do nothing. If you have not already had either FlyBuys or Airpoints linked to your Z Card, send us an email with your ARFAI "Cost Centre" in the subject line and your Airpoints number **OR** your FlyBuys number and the registered persons name in the message.

When Z acquired Chevron NZ in June 2016 a condition of the purchase was to divest Z and Caltex service stations in 19 regions. The reason for this is to satisfy concerns about a potential lessening of competition in some geographic areas.

In total 19 service stations will be divested and 3 Truck-stops (2 of them being co-located on Service station sites)

Confirmation of the Z sites to be divested are shown in the table below:
