NEW BP Truckstop Te Kuiti

NOW OPEN! 24/7

Take advantage of the **BP TRUCKSTOP PRICING** regime that is **22cpl** less than the Z or Mobil truckstop price! See current (as at 1 April 2017) pricing information in right hand column.

You'll be able to pop in there to enjoy diner-style food, quality barista-made coffee and free wifi. BP looks forward to seeing you there soon.

Just remember that if the truckstop is on the same site as a service station, you **MUST** use the truckstop part of the site to obtain the Truckstop pricing as all the other pumps will be subject to the BP National Card service station pricing regime.

If you require a BP Truckstop Map, you can download one from our web site at www.arfai.co.nz, or give us a call on (09) 276 6088 or email on arfai@xtra.co.nz and we can either email you a copy or post a hard copy.

If you are using other truckstop networks to pick up diesel, you may wish to consider the BP Truckstop Network as your provider of first resort.

You will notice that the price at the BP Truckstop Network is currently **22 cents per litre cheaper than either Z or Mobil** and as all truckstop networks operate on a National Card Price (NCP), that price is constant throughout New Zealand.

Please note that this applies **ONLY** to the BP Truckstop Network. If you don't have a BP Card and would like one, we can simply arrange one for you without the need for any paperwork on your part—just call Ash or Jim on (09) 276 6088 or email us at arfai@xtra.co.nz
