Volume 6, Issue 3
September 2017

Mobilcard acceptor Caltex Paihia is **ceasing to accept** Mobilcard as a method of payment from the end of August 2017.

The **GOOD NEWS** is we now have a **FULL DISCOUNT** site in Paihia that accepts Mobilcards:

WAITOMO PAIHIA, 140 Marsden Road, Paihia

We have been receiving calls from card holders who are having difficulty with the new Mobil "Pay at the Pump" facilities at service stations. To ensure that you are not locked out, please follow the instructions below.

Pay at the Pump Mobilcard instructions

Insert card and following the prompts on the screen

Pressing the green circle button to confirm each stage

You will be asked what transaction you want e.g. "Purchase Fuel" everything else is pressing the green circle icon button

E.g. Odometer Reading at the start and if you choose not to, just press the Green Circle to over-ride and carry on to the next stage of purchase

The display then requests that you select which fuel you wish to purchase- please select a fuel

Lift nozzle and start pumping

Pay at Pump will cancel the pay at pump transaction if the card holder lifts the nozzle and returns it to the bowser without fuelling

The pump will cancel the transaction if the nozzle is not lifted within 3 minutes

Once a transaction has been cancelled there is an automatic stand down period of 10 minutes regardless if you try another terminal or attempt to use your card in store. The service station has no control over this.

Cardholders should ensure that they pick up the correct nozzle for the grade required

Option for Unleaded 91, Unleaded 95 or Diesel

Insert Card

Green Circle Confirm Button

REMEMBER THE ARFAI WEB SITE PIN NUMBER — 2766

For those who by necessity need to pick up fuel from a truckstop Network, remember that since BP introduced a new pricing format for their Truckstop Network last year, they have been consistently between 10—18 cents per litre cheaper at their truckstops than Z or Mobil. **Currently, they are 20cpl less than Z or**

Mobil on our ARFAI discounted truck stop price.

We have exciting news! The Smurfs have arrived at BP and are at a site near you. Spend \$40, in one go, at selected BPs (sadly Truckstops are excluded) before 17 September and pop in-store to grab yourself a Smurf figurine - there are 16 to collect.

RUC & MVL WITH ARFAI

Reminding you, that we are approved by LTNZ to issue RUC and Vehicle Licences, so all you need to do is call, fax or email us and we will take care of your requirements and post your label to you.

This will save you standing in the queue and filling out forms at NZ Post or any of the other agents and its quicker than doing it online at NZTA!

Please note that this service is not available at weekends or public holidays. For same day service, please call before 2pm.

We have sourced two new convenient and powerful devices that will suit the camper's amongst us and those who just want an alternate power source to charge their electronic devices such as smartphones, tablets, cameras, camcorders, GPS unit, MP3 players, wireless headphones, and portable gaming systems on the go. Both units will easily "jump start" your vehicle (12 volt system only), but they are **not designed to charge your car battery.** The "camping" unit comes with a portable air compressor that works with the charger to inflate a variety of things from tyres to beds and comes with two connectors that will fit most situations. This unit comes with a USB charging port as well as a multi voltage charging port complete with an array of adapters for your special requirements.

Capacity: 12000mAh, 44.40Wh
Output voltage: 19V, 16V, 12V.
Dimension: 165*80*32mm
USB output: 5V 2.1A
Charge mode: CC/CV 15V/1A
Start current: 200A
Peak current: 400A (3S)
Cycle life: 1,000 times
Capacity: 44.40Wh
Operating temp range: -20° to 60°

This unit comes with a USB charging port as well as a multi voltage charging port for your special requirements.

Voltage at auto start end 12V
Capacity: 13600mAh, 44.40Wh
